ROBIN STEARNS LEE

Bio

Ever since penning an elementary school assignment about her baby sister who could cry for hours without shedding a tear, Robin Stearns Lee has loved expressing her heart through writing. Her inspirational stories appear in several anthologies, newspapers, on Inspiration Ministries at www.inspiration.org, and on Amazon's self-publishing platform. Robin is a wife, mother, and grandmother, and when not touring the country by RV, she and her husband lead a Small Group at their church in the South Carolina Lowcountry.
