

## COMMUNITY PARTNERS

In addition to planning book sales and events to raise money to support local library programs, CFOL believes in creating partnerships as an opportunity to connect with and support the work of local businesses, and other mission driven nonprofits. Collaboration is central to our theory of change, and we believe only makes our communities stronger. Below are just of our successful partnerships:

## Charleston Read-Out Friday, September 22, 6 p.m. Institute of Contemporary Art Mission
